

End of Course Test Information

**West Georgia
RESA Technology Center**
99 Brown School Drive
Grantville, GA 30220

Test Location at the ETC:

Computer lab of the ETC. Lost? Call: 770.583.2528

Directions

From Interstate 85:

From I-85 take Exit 35. Turn left off of the ramp and take the first right onto Griffin Street. Continue for one mile, past a sign for the West GA RESA and past the water tower. Just before you reach your turn there will be cemeteries on both sides of the road. Turn left onto Brown School Drive. Come up this road and bear to the right at the "V," continue around the side of the main building, and park in the lot that this road dead-ends into. While in this lot, you will see two buildings. Take the sidewalk that leads between them and we are in the building on the right.

From Carrollton:

From Carrollton, take Highway 27 South. Depending on where you start, you will travel 20 to 30 miles south and then make a left on Highway 100. After you travel about 5 miles you will come to a 4-way stop. Continue straight and then make an immediate left at the first road, which is Coweta Heard Road. When that road dead-ends take a left on Highway 29. After passing under the railroad take the second left. This road changes names a few times. Continue straight on it through the square in Grantville. After passing through the square there will be an "S" curve and then Brown School Drive will be on the right. Come up this road and bear to the right at the "V," continue around the side of the main building, and park in the lot that this road dead-ends into. While in this lot, you will see two buildings. Take the sidewalk that leads between them and we are in the building on the right.

Parking

Park in far back lot of the RESA Building.

Reminders

- The test will last for 2 hours
- Plan to arrive at the testing location 30 minutes prior to the scheduled start time.
- Cell phones must be put away and left in the OFF position at all times.
